

PCYSA Minutes  
February 1<sup>st</sup>, 2015

Roger, Jeremy, Courtney, Pedar, Angie, Debbie and Rich were in attendance.

Rec Leagues

Registration forms are ready to go. Info needs to go to the Banner. McD's, 10-2pm on Saturday, 2/21. Monthly payment options, as well as multiple sibling discounts are available online. Roger has created a Google form for tracking volunteer hours, concession stand hours, PCYSA nominations, complaints, etc. Corey Gray is interested in helping JC with the recreation league. Coaches meeting is March 15<sup>th</sup> in the afternoon.

Travel Leagues

This spring there are two U12 teams, one U14 and the 6 v 6 squads. ISL registration deadline is 2/13. 3/14 is the scheduling meetings and on 3/27 the schedules will be released. Please see Angie's email regarding the players for each squad. Season starts 4/11 and ends on 5/31. No games: 5/16,5/17, 5/23,5/24. Right now there are three U18 squads. Do we want to join with Clay County's travel teams? This would allow for both girls and boys squads. We can ask parents and continue to discuss this option.

Treasurer

No report this month.

Sponsors/Fundraising/Special Events

Indy Eleven would like to have a Putnam County night on 5/16 or 6/13. They'd like as many people as possible to attend, coaches, players, sponsors, parents, etc. The kids will most likely be able to go on the field at halftime.

Do we want to add U10/\$120 fee to the sponsorship form? Hold off for now. Do we need sizes for the sponsor shirts? Consider the difference in prices for gold and silver. Does the difference match what sponsors are getting? Should we add something more or drop the price for the platinum? Can we show sponsors what the signage will look like? Should signs stay up longer than one year? Renewal prices look good.

Concession Stand

No report.

Website

Forms will be distributed to schools. Our website server needs to be changed due to security issues and ease of use. Will cost on the order of \$600-700. Suggest having drop down menus on the new website. Wordpress is compatible with mobile devices. Jeremy is willing to help out.

RainedOut.com allows for sending information out to mobile phones and email addresses.

### Fields

Goal anchors look good...on Field 2A west goal. Rod prefers sand bags on the small goals and anchors on the large goals. Window coverings. Fertilizer has been put down free of charge. Rod will be sending out the contracts for the sports park rental soon. Still waiting for an answer on the field 2 goal damage. Sunday March 15<sup>th</sup> is the coaches meeting and field day.

### Referees

No report.

### Next Meeting
