

PCYSA Minutes
March 8th, 2015

Roger, JC, Jeremy, Courtney, Pedar, Angie, Debbie and Rich were in attendance.

Rec Leagues

About 280 kids are signed up right now. Coaches will help put out benches, etc. after the coaches meeting. Season starts April 4th, with photo dates the following two weekends. Can we have a quiet day one weekend where only the kids, coaches and referees can talk? There is a video that discusses parent behavior that can be linked to the website. Roger would like to include this. Equipment swap will be Tuesday March 31st until Thursday April 2nd from 5:30-7pm. We'll need volunteers to help out. U8 is 5v5 with a keeper (the keeper is one of the 5 players) with 10-minute quarters.

Travel Leagues

84 total travel players, 5 teams. 45 families said that they need new uniforms. Can we have a spring kickoff party for the travel families? This is something that they do in Italy. We could have a potluck. U11/U12 Midwest Soccer Classic, U14 Maya Getz (Lafayette). Need to schedule photo night and talk to Wilsons. WCSSF will have their separate meeting in April. Keith will attend this meeting. Courtney is attending the ISL scheduling meeting. Player cards will be obtained when we have all of the photos.

Treasurer

No report this month. We need an invoice from the city to pay the \$4500 for rental at the sports park.

Sponsors/Fundraising/Special Events

If we get all of the anticipated sponsors we will have 21 sponsors, one gold, one silver, one individual. May 16th is our Indy 11 day. 10 escorts, 5 tunnel people and 30 minutes playtime at halftime. U10-12 players only. We'll charge \$15/ticket (we get 100). Is there a business that might sponsor 25 tickets?

Concession Stand

Debbie needs a key for the concession stand. May 16th is the last rec day and we are hosting a U10 ISL extravaganza with games running until 8pm or 9pm.

Website

We'd like to have the site ready to go by March 30th.

Fields

Jakob Foss would like to raise money for a new net behind the north goal on field 1. Can we check with the city to find out how much it would cost? Let's go ahead and get started with the project. Goal on field 11 needs repaired and the nets on field 1 need to be replaced. Can we make field one 100yds x 70yds? It has been 110yds x

75yds. It would be helpful for our players. Field 2B will need to be two fields running east-west for 6 v 6. They will use U12 size goals on U10 size fields. (60 x 45 yds for the field dimensions with U10 penalty area...no goal area). We will need a penalty area for the U8 fields.

Referees

No report.

Elections

This year it is President and Vice-President. Rich will send email to Angie and JC to forward to parents.

Next Meeting

Sunday, April 12th. 7pm at Starbucks.
